

# exocet FUEL STORE PLUS (XO1270FS)

## DESCRIPTION

Exocet Fuel Store Plus has been specially formulated to protect fuels and fuel systems where fuel is stored for long periods of time and/or the associated equipment is used only infrequently. The product acts to delay the symptoms of fuel ageing and additionally has anti-corrosion and biocidal properties.

## APPLICATION

Exocet Fuel Store Plus is intended for use in bulk storage, but can also be added to the vehicle/machinery tank. Aged fuel often discolours, forms gums and other deposits and results in a deterioration in the ignition quality. Fuel ageing is irreversible and is accelerated by the addition of bio-components to the extent that latest specification fuels may only have a shelf life of 6-8 months.

## BENEFITS

## FEATURES

- Contains a high dose of antioxidant (anti-ageing) component
- Delays discolouration, gum/solids formation
- Maintains the fuel's ignition quality
- Extends shelf life of B7 fuels to >12 months
- Contains a fuel soluble biocide at a maintenance dose
- Reduces the potential for microbial growth during downtime
- Has corrosion inhibition properties
- Reduces the potential for filter plugging
- Proven on 100% FAME

## WHEN TO USE

- Fuel is stored for long periods with no turnover
- There is concern over the FAME content
- Seasonal vehicles are left with fuel in the tank
- Classic and enthusiasts vehicles require protection

## TREATMENT RATIO

1 litre treats 4,000 litres of fuel

All Exocet® branded products are available in a range of sizes to 1,000 litres
